

ENTREPRENEURSHIP DEVELOPMENT CELL

Akemi Business School has created an eco-system to foster a culture of innovation and entrepreneurship among the students. The Institute has established 'Entrepreneurship Development Cell in collaboration with Bhartiya Yuva Shakti Trust (BYST). *Akemi Business School* organizes variety of activities for promotion of innovation and entrepreneurship.

BYST will also help students meet all the right people for networking, mentoring and financial help and support to start up their own ventures. BYST would bring mentors to students that would guide them through various stages of entrepreneurship. Actively promotes entrepreneurial attitude among the students and offers them a prosperous network of entrepreneurs, mentors, experts, alumnus entrepreneurs and other entrepreneurship eco-system partners.

OBJECTIVES:

- To develop personal attributes and skills that form the basis of entrepreneurial mind set and behavior (creativity, risk-taking, self-confidence, team spirit, sense of initiative etc.)
- To promote entrepreneurial skills among students and create self-employment opportunities for them
- To educate enterprising students on the essentials of starting a business
- To provide an exhaustive resource to the student for start-ups.

A congenial ecosystem for the evolution of entrepreneurs is established in the campus through the Incubation Centre of the ED Cell. It provides financial assistance, arranges interaction with successful entrepreneurs and creates opportunities for capacity building.

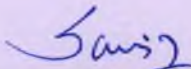

The ED Cell conducts workshop and training to enhance the skills of students. Students are encouraged to earn while they learn by engaging themselves in micro ventures and are trained to become job providers in the future.

Long Term Goals (5 Years)

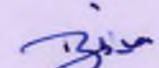

- Motivate students to develop their own start-ups.
- Develop business incubators.

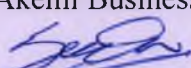

Short Term Goals (2 Years)

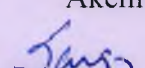

- To provide a platform for interaction with entrepreneurs.
- Impart entrepreneurial education/skills amongst students through various trainings and exercise.
- Arrange interaction with organizations promoting the cause of entrepreneurship.
